

STATE OF NORTH DAKOTA
APPLICATION FOR A TEMPORARY WATER PERMIT
SWC Project No. 1400A

NOTE; Use one application for each type of source (surface water or ground water). Use one application for each different surface water source. Complete all lines. If this application is not satisfactorily completed, it will be returned. If more space is necessary, attach additional sheets. Please type or print in ink. There is no filing fee and no map is required.

Mail completed application to:

State Engineer
North Dakota State Water Commission
State Office Building
900 East Boulevard
Bismarck, ND 58505 - 0850
